

Pilgrimage of the Heart

The dictionary describes pilgrimage as "A journey to a place associated with someone famous or well known".

How good it is to know that we're on the ultimate journey of life, with an incredible God with an amazing future! No matter where we walk, be it through dry places, or even valleys of Baca or weeping, one thing's for sure, in Christ, we are destined for heaven, and are going from 'STRENGTH TO STRENGTH'.

Read Ps 84 and discuss what happens as we ***allow our hearts to experience the power of.***

3.PILGRIMAGE
